Single Cut 100

# The Single Cut 100 Envelope Opener

The Single Cut 100 Envelope Opener is an Extra Heavy Duty envelope opening machine that is designed for large volume processing operations. A true "operator friendly" system, this machine is comfortable in the busy office environment as well as the mail center. It's capable of handling regular size envelopes as well as large envelopes, including flats and thick envelopes.

## BENEFITS:

- Variable speed accommodates flats and heavy overnight envelopes
- Millcut envelope opening system
- Feathered edge
- Minimizes document damage
- Variable cutting range of envelope, 0"–1/8"
- Designed for office environment as well as the mail center (quiet, fast, efficient)
- Piece counting
- Ability to count envelopes only

## KEY FEATURES:

- Heavy, rugged construction
- Top quality ball bearing motors
- Single motor drive system for longer efficient life
- Large capacity wide-belt conveyor/stacker
- 100% use of hardened ball bearings on all shafts
- Quiet operation
- Minimal service and maintenance requirements
- Variable speed input and output conveyor (may be arranged to run in line or at a 90° angle)

## SPECIFICATIONS:

**Weight:** 160 lbs. (Conveyor: 55 lbs.)

**Power:** 110/120 V, 60Hz    220V, 50/60 Hz  
Machine: 8 Amps        8 Amps

**Speed:** 7" envelopes at 600 per minute  
Shorter envelopes—faster  
Longer envelopes—slower

### Envelope Sizes and Types:

Opens all sizes and types  
(sizes and types may be mixed)

### Envelope Thickness:

Feed throat accommodates 1/2" thickness

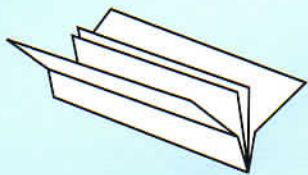

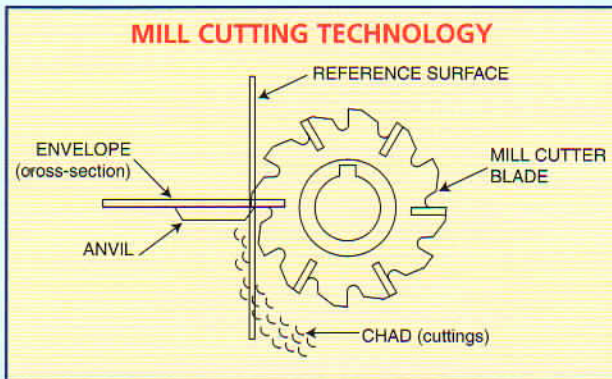

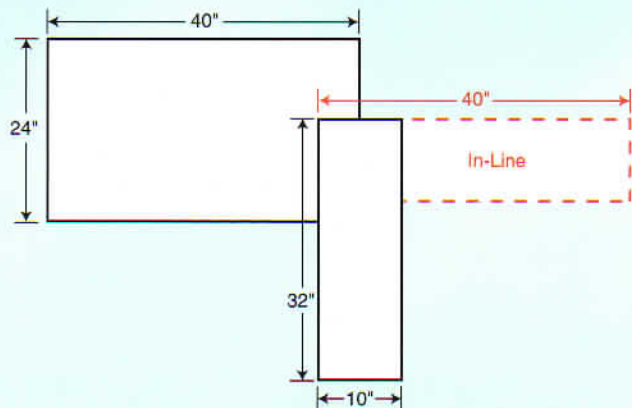

### Feed Hopper Capacity:

Approximately 300 remittance type

## OPTIONS:

- Vary Cut Adjustment (controls depth of cut adjustment from 0" to 1/8")
- Inkjet applies date, time and sequence number
- Batch counting

## Single Cut 100 Configuration

Quality and Innovation . . . *The Right Combination*
